NETSCOUT™

Skip Maloney

Vice President, Human Resources

Skip Maloney joined NETSCOUT in November 2014 as our Vice President of Human Resources. He has over 20 years of progressive Human Resource experience in the Medical Device, Semiconductor and Hi-Tech industries as a thought leader in the field of Strategic Human Capital. Mr. Maloney was the Vice President of Human Resources for privately-held Lake Region Medical headquartered in the Boston area where he was responsible for the overall direction of the HR platform including Merger and Acquisition Integration, Talent Management and Leadership Development. Prior to Lake Region Medical, he was a Director at the publicly traded semiconductor firm Brooks Automation based in Chelmsford, Massachusetts. Before this, Mr. Maloney held a Human Resource Directorship for the hardware/software firm Mercury Computer Systems, also a publicly traded company based in Chelmsford, Massachusetts.
